Deltaplex Arena Welcomes The West Michigan ThunderHawks Indoor Football Team!

A Multi-Year Agreement Brings the West Michigan ThunderHawks Football Team, part of the Indoor Football League, to the Deltaplex Arena

Officials from the Deltaplex Arena, the Indoor Football League (IFL) and the West Michigan ThunderHawks announced at a press conference today that the IFL's West Michigan ThunderHawks will be coming to Grand Rapids and West Michigan. The ThunderHawks new home will be the Deltaplex Arena.

A multi-year lease agreement has been signed to make the Deltaplex Arena the team's new home. The ThunderHawks will play seven (7) home games between March and June as well as any additional playoff and championship games. "I am so excited about the Deltaplex Arena's newest anchor tenant (Similar to Arena Racing), the West Michigan ThunderHawks", exclaimed Rich Baylie, the buildings Executive Director and President of Stage Light Entertainment, the buildings manager & operator. "Although we have numerous sports related events during the year, like Arena Racing, Cage Fighting and Cheerleading, I've really been looking for a sports team, like football, to help offer more variety in our events for our guests and spectators". "I have met with the team's ownership many times these past few months discussing bringing the team to Grand Rapids and the Deltaplex Arena". "I have been able to get to know them as well as learn what their goals, visions and aspirations are of having a winning team for West Michigan". "I believe in this team and I am proud that they'll be calling the Deltaplex Arena their home" Baylie stated.

The West Michigan ThunderHawks are part of the Indoor Football League (IFL) which has over 20 teams throughout America. Their season runs from March through June with any playoff or championship game possibly extending the season into July. Season Tickets are on sale now. Individual game tickets are estimated to go on sale around December 15th, just in time to buy game tickets for Christmas gifts.
